

OLD DUBAI

KAZZAN **125** **FOR TWO** **220**

Crisp Apple Vodka, Carpano Classico, Campari
Citrus Pressed Apple, Desert Salt

After the discovery of offshore oil in Dubai in 1967, a problem arose of where to store it. Kazzans were built not more than 100 metres from where you are sitting now. Named after the undersea storage tanks that would contain oil collected at sea. This pioneering methodology lends its technique to the process we use of infusing flavours into your drink.

SCENT OF THE SOUK **115**

Dried Apricots and Figs Infused Gin, Baharat Syrup
Mastic Liqueur, Lime, 3 Wishes

This cocktail evokes the ambience of Dubai's famous souks through the use of fragrant herbs and spices and an active aromatic Oud Oil lamp.

LIGHT SWEET CRUDE **145**

Laphroaig 10yr, Macallan 12yr Fine Oak, Foie Gras
Saffron Honey, Activated Charcoal

A homage to the flame monument and the discovery of oil that underwrote Dubai's initial rise to greatness, this cocktail explores the concept through the use of rich, oily ingredients such as Islay whisky and foie gras, garnished with several drops of charcoal infused truffle oil.

FROM KOHL TO CRYSTAL **125**

Vodka, Gin, Vermouth Blanc, White Tea Liqueur
Za'atar Leaves, Sumac

Based on the incredibly fast rise of Dubai; Kohl is the charcoal Dubai villagers would wear 'mascara-like' on their eyelashes to protect their eyes from the sun and Crystal refers to the wealth and opulence that Dubai now offers.

SABKHA **105**

Butter-Washed Tequila, Pink Pepper Corns
Ruby Grapefruit, Acacia Honey, Hibiscus, Prosecco
Desert Salt Solution

Sabkha is the name for the crust on the surface of the salt flats that are prevalent throughout the UAE both along the coasts and in the desert; the cocktail channels the concept through the use of salted and coastal ingredients.

OLD DUBAI

WATERS OF LIWA **85** (NON-ALCOHOLIC)

Mango Purée, Basil Leaf, 'So Jennie' Sparkling Beverage
Soda

Ancestral home of the Bani Yas tribe, Liwa sits on the Saudi border, the last outpost before the endless sands of the Empty Quarter.

BELOW THE GROUND **105**

Brandy, Porter Reduction, Mixed Berries, Acacia Honey
Lime

Until electricity arrived in the 1960s, the best method of cooling water was to fill an earthenware jug, cover and wrap it in wet sackcloth or palm fibre and then lower it into a well where it would dangle in cool dampness. The cocktail is conditioned in stone jugs in the style of this traditional cooling method.

DJIN GENIE **105**

Aperol, Vodka, Blood Orange Purée, Earl Grey
Orange Blossom, Citrus, Gold

The cocktail is based on the "dust devils" that are seen often around Dubai; specially towards the interior and in the desert. In Saudi Arabia, Kuwait, Kazakhstan and Jordan, dust devils are referred to as djin, which means "genies" or "devils".

RUB' AL KHALI **145**

Goat Skin Rum, Frangelico, Pineapple-Sumac Purée
Spiced Dates, Citrus

Rub' al Khali or 'The Empty Quarter' is the World's longest continuous stretch of sand desert, this cocktail is based on Dubai's home at the end of this desert through the use of ingredients synonymous with nomadic desert life such as dates and spirits aged in a goat skin bag reminiscent of the type Bedouins used to carry.

OLD DUBAI

THE WISDOM OF PEARLS 85 (NON-ALCOHOLIC)

Strawberry, Rosemary, Spiced Dates, Pressed Apple
Citrus Yoghurt Pearl

The wisdom of pearls refers to the line of thought that led the drive to diversify the economy beyond pearls and the pearling industry which in turn acted as the genesis of Dubai as the fastest growing city in the world.

THE RIVER ZARA 75 (NON-ALCOHOLIC)

Zaatar Leaf, Passion Fruit
Lemon-Lime Oleo Saccharum, Soda

An ancient name for the Dubai Creek, 'The River Zara' historically divided the city into two main sections - Deira and Bur Dubai.

This river would have seen the first deliveries of such ingredients as mandarin, ginger, lemon, pomegranate.

DEMISE OF THE DONKEY CART 105 **FOR TWO** 190

Johnnie Walker Black Label, Cherry Heering
Carpano Punt e Mes, Lemon Oleo Saccharum
Ruby Grapefruit, Kummel

The vision of donkey carts delivering water and fruit over the sand is all but a distant memory now in light of the tremendous infrastructure built after drillers found an aquifer of fresh water at Al Aweer, and the underground pipes fanning out throughout the city.

MERCHANT COAST **FOR TWO** 295

Barrel Aged Rum, Barrel Aged Maple Syrup
Orange & Chocolate Bitters

Dubai's merchant community has always been cosmopolitan in nature. A vast mix of nationalities adorn the city borders receiving and sending goods on a daily basis. The sun begins to rise over Dubai and the ports begin to flourish with activity as the 'The Merchant Coast' comes to life.

NEW DUBAI

ELEMENT 79 145 (NON-ALCOHOLIC)

'So Jennie' Sparkling Beverage, Orange Blossom Honey
Ginger & Absinthe Droplets, Gold Pearlesence

Element 79 is the atomic number for gold. It is a sophisticated, alcohol-free sparkling grape cocktail served with a sugar cube and effervescent golden cloud.

PICKERING'S PALM 160

Whisky, Blood Orange, Pear & Lime Leaf Oleo Saccharum
Grenadine, Essence of Ginger, Chocolate Bitters

A tiki-style cocktail acknowledging the resonance of the palm tree as an emblem of paradise - whether that be coconut palms in the South Pacific, date palms in desert oases or the Palm Jumeirah in the tourist paradise that is Dubai.

ABOVE THE CLOUDS 105

Russian Standard Platinum, Cointreau, Lemongrass
Chamomile Blossom, Dolin Chambéry Blanc, Mandarin
Borage Flowers, Fog

'Above the Clouds' represents our location on the 27th Floor of Burj Al Arab with the city spreading out below. It is presented with an aromatised 'fog' created at the base of the glass to represent the Burj Al Arab as a beacon above the mist that regularly afflicts Dubai at ground level.

CITY OF GOLD 105

Banana Rye Whiskey, Benedictine, Pedro Ximenez
Rhubarb Angostura Orange Bitters

Referring to the nickname often given to Dubai, the cocktail promotes the décor of the bar and the prevalence of gold throughout the hotel.

NEW DUBAI

WILD WADI 75 (NON-ALCOHOLIC)

Cherry Purée, Orgeat, Citrus, Pressed Apple Juice

A whirlwind of flavours swirls and engulfs the taste buds, symbolizing the journey experienced in the landmark Wild Wadi establishment located on the doorstep of the Burj Al Arab.

THE DUBAI FRAME 105

Homemade Saffron & Jasmine Gin, Quinetum Cordial

It's 150 meter-high, 93 meter wide and quite literally frames a beautiful image of Dubai. From one side the landmarks and building of Sheikh Zayed Road can be seen to symbolize the modern Dubai. While the view from the other side shows landmarks such as Deira, Umm Hurair and Karama which symbolize the old Dubai.

BREW-SKI 105

Gin, Galliano Authentico, Apple Smoked Honey, Citrus Plumb Bitters

A testament to creativity of Dubai, this marvel of ingenuity can be found in the Mall of Emirates. Not only a ski slope but also a haven for penguin conservation.

HAJ THE CAMEL 145

Rum & Overproof, Banana Fallernum, Citrus Essence of Tonka Bean, Essence of Spice

In Arabic culture, a camel is assigned a different name every year. For example, a one-year-old camel is called 'Hewar' while a two-year-old camel is called 'Fateem'. The name keeps changing and the camel is known as 'Haj' at three years of age.

Made using three rums, this drink also draws inspiration from the animal famously known as the ship of the desert. Its walk, which is much like the motion of a ship at sea.

FUTURE DUBAI

ROSE OF DAMASCUS 75 (NON-ALCOHOLIC)

Bharat Syrup, Fresh Lime Juice, Mint Leaves
Coconut Water

"I come to you ... from the tales of the Damascene rose, that depicts the history of all fragrance", wrote famed Syrian poet Nizar Qabbani.

Beyond being known for its heady fragrance, the Damask rose has long been used for rose oil or "attar of roses", and is commonly used to flavour food and make rose water.

Due to recent conflict in Syria, the production of rose products has fallen on hard times, so we have decided to attribute this drink to raise awareness for this beautiful flower.

2020 145

Barrel Aged Rum, Espresso, Coffee Liqueur
Spiced Date Syrup

This cocktail is made from an eclectic mix of ingredients from across the world highlighting the benefits of working collaboratively to become greater. This harmonious blend of flavours also acts as a mirror to Dubai itself focusing on the city's uniquely tolerant, multi-cultural population and as host of the World Expo in 2020.

STRENGTH IN UNITY 105

Mezcal, Chartreuse, Herbal Curaçao, Agave, Citrus
Barrel Aged Chili Bitters, Egg White

Strength in unity is an ethos of community represented by the harmonious blend of ingredients from around the world.

MUSEUM OF THE FUTURE 155

Peanut Butter Rye, Homemade Grape Marmalade
Toast Bitters

The future belongs to those who can imagine it, design it and execute it. While others try to predict the future, we create it. Inspired by the future museum this drink draws techniques fit for the future but being used today in our laboratory. Rotovap | Sous Vide | Centrifuge.

PIONEER 145

Gin, Pineapple, Grapefruit-Basil Oleo Saccharum
Prosecco

Plans to develop the new tallest tower are underway and due to Dubai's ingenuity and competitive drive, it is set to break further records of accomplishment. This feat can only be achieved by a collaboration of the best and brightest that we like to refer to as "Pioneers".
